

As a global player, **Messer** offers its sustainable products and services in Asia, Europe and America.

**For our European team** we are looking to immediately fill the position as

## **Procurement Manager (m/f/non-binary)**

Location: Gumpoldskirchen (Lower Austria)

Reference Number: E-09/2025

### **What we offer:**

- As Procurement Manager, you will make a valuable contribution to an international, successful, and financially stable company as part of their European leadership team.
- A dynamic, supportive, and inclusive work culture that values innovation and encourages collaboration and continuous improvement.
- Empowering your skills through targeted training opportunities
- Benefits (bonus, meal allowance)
- Hybrid working model
- Good public transport links, car park
- E-charging station for private use

### **Your responsibilities:**

- Manage the procurement of new cylinders, bundles, pallets, and accessories for both new and retested assets
- Negotiate and maintain price agreements, including for external retesting services
- Monitor market trends and identify new suppliers and product innovations
- Handle cylinder and bundle requests from affiliates, including transport organization
- Oversee stock levels and availability of new and used cylinders
- Support pricing maintenance and apply negotiation strategies and best practices
- Develop and maintain strong supplier relationships across Europe
- Collaborate with internal teams (e.g., logistics, quality, operations) to align procurement with business needs
- Manage claims and resolve supplier-related issues effectively
- Coordinate sales activities related to surplus or reusable packaging items

### **Your profile:**

- Bachelor's degree in business administration, supply chain management, or a related field
- Several years of experience in procurement, ideally in an industrial or technical environment
- Strong technical understanding and interest in industrial packaging and gas-related equipment
- Proficient in SAP (MM module) and MS Office tools
- Fluent in English; additional European languages are a plus
- Excellent teamwork, communication, and negotiation skills

The collective agreement for the chemical industry applies, with gross monthly salary of € 3.740,04 on full-time basis with a willingness to offer overpayment depending on qualifications and experience.

### **Does this describe you, and are you interested in this position?**

Then we look forward to receiving your application in English via e-mail (in PDF format, max. 2 MB) to [recruiting.europe@messergroup.com](mailto:recruiting.europe@messergroup.com)

We hereby inform you that your applicant data will be forwarded to our parent company Messer SE & Co. KGaA in Germany as the hiring process is conducted by Messer SE & Co. KGaA and the reporting line of the position you applied for is also at Messer GasPack GmbH.
